

KING Fahd University of Petroleum and Minerals

CIVIL AND ENVIRONMENTAL ENGINEERING DEPARTMENT

Dhahran, Saudi Arabia

The Civil and Environmental Engineering (CEE) Department at KFUPM is actively looking to hire faculty in the following areas:

- Pavement Design/Maintenance
- Advanced Modeling in Structural Materials
- Advanced Structural Modeling
- Geotechnical Engineering
- Water Resources

The Civil and Environmental Engineering (CEE) Department at KFUPM offers a high quality teaching and research environment. Our graduate program is highly active and growing with more than 60 M.S. and Ph.D. students enrolled in the Structural, Geotechnical, Transportation, Water Resources, and Environmental Engineering areas. KFUPM has a large number of research funding agencies and opportunities such as the Deanship of Research (KFUPM), KACST, ARAMCO, NSTIP, SABIC, among others. In addition, the university supports attendance of 2-3 international conferences per year, in order to stimulate the research activities and initiatives.

Our undergraduate program is fully ABET (USA) accredited. Large dedicated areas allocated to our CEE laboratories, are fully equipped with modern equipment and software. A team of full-time laboratory engineers and technicians support our research and teaching activities. In addition, the CEE Department plans to continue expanding its laboratory facilities with state-of-the-art equipment including capabilities for conducting Earthquake Engineering research.

As a faculty member, responsibilities include teaching at the undergraduate and graduate levels, developing a strong and well-funded research program, and assisting the department in its professional activities. Positions are expected to be filled at the Assistant Professor level. However, exceptionally qualified candidates at the Associate and Full Professor levels are also encouraged to apply. An earned doctoral degree in civil engineering, or closely-related field is required.

Salaries/Benefits for Each Position: Two year renewable contract, competitive salary based on qualifications and experience, free furnished air-conditioned on-campus housing unit, with free essential utilities and maintenance. The appointment includes the following benefits, according to the University's policy: air ticket/s to Dammam, on appointment; annual repatriation air ticket/s for up to four persons; assistance with local tuition fees for school-age dependent children; local transportation allowance; two months of paid summer leave; and, end-of-service gratuity. The KFUPM campus has a range of facilities, including a medical and dental clinic, an extensive library, computing, research and teaching laboratory facilities and a recreation center.

To apply online: Go to the KFUPM website <http://www.kfupm.edu.sa> and follow the Hyperlink JOBS.

We look forward to receive your application.

Sincerely,
Professor Nedal Ratrout
Chairman
